

**\*\*\*\*Covid19- Statement - April 2021\*\*\*\***

We are sorry to announce that the Committee has made the difficult decision to cancel the upcoming North West Children's Support Group holidays that were due to take place in summer 2021.

The committee have continued to meet online every month to discuss our options in the anticipation that the holidays could go ahead. Although the easing of restrictions is currently ongoing, the full extent of any operational challenges we will face in the summer remains unknown. This would not be confirmed until mid-June at the earliest, leaving many of our venues unable to guarantee residential bookings at present. Due to the extensive planning required, and for the safety of both the volunteers and the children, it is not feasible to run the holidays for 2021 summer season.

As always, we have been overwhelmed by the support of our volunteers who had committed their time to help, and appreciate how disappointing this news is, especially for a second year.

We will continue to meet to discuss any other events that may arise, but we will hope to definitely see you all back next summer.
